The Inter-American Tropical Tuna Commission (IATTC):

Emphasizing the importance of obtaining comprehensive information on the catches, and related information, by all vessels fishing for species under the purview of the Commission;

Understanding that all member nations of the Commission are obliged to provide information on catches by all of their vessels fishing for any species under the purview of the Commission;

Aware of the long-standing and well-established practice of vessels fishing in the EPO providing catch information to the Director;

Noting that nations not members of the Commission which are fishing in the region are obliged under international law to cooperate with the Commission, and that the provision of catch data is one aspect of such cooperation;

Concerned that the Director is not receiving all pertinent catch information;

Therefore recommends to the High Contracting Parties that:
