“ Vessel ” means any boat, ship or other water-going craft.

2. The Administration of this Act is under the control and direction of Cabinet, which may delegate, either generally or particularly all or any of the powers conferred on it under this Act.

3.Reference to money amounts-

(1) A reference in this Act or the regulations to any penalty or fee, the amount of which is specified, or to any other specified amount of money, is to be read as a reference to the specified amount in the currency of the United States of America.

(2) A reference in this Act or the regulations to a penalty or fee, the amount of which is not specified, or to any other unspecified amount of money, is to be read as empowering the

person or body authorised to specify the amount to do so in the currency of the United States of America

PART I TERRITORIAL SEA

4.Territorial sea-

The territorial sea of Niue comprises those areas of the sea having, as their inner limits, the baseline described in section 6 of this Act and, as their outer limits, a line measured seaward from that baseline, every point of which is distant 12 nautical miles from the nearest point of the baseline.

5.Internal waters-

The internal waters of Niue include any areas of the sea that are on the landward side of the baseline of the territorial sea of Niue.

6.Baseline of territorial sea-

The baseline from which the breadth of the territorial sea of Niue is measured shall be the low-water mark along the coast of Niue or where there is a coral reef along any part of the coast of Niue, the low-water mark along the outer edge of the coral reef.

7.Foreshore, bed of internal waters, and territorial sea vested in Crown-

- (1) The seabed and subsoil of the submarine areas of the internal waters of Niue are, and are taken always to have been, vested in the Crown.
2. The foreshore of Niue and ten metres inland from the foreshore and the seabed and subsoil of the territorial sea of Niue, are, and are taken always to have been vested in the Crown.

8.Official chart-

- (1) For the purposes of this Act, the low-water mark in a particular area is the line of low water at mean low-water spring tides as shown on the largest scale British-Admiralty chart for the time being of that area.
2. In any proceedings in a court, a certificate purporting to be signed by an officer of the New Zealand Naval Forces authorised by the Secretary of Defence or a Deputy Secretary of Defence, stating that a specified chart of a specified area is the largest scale British Admiralty Chart for the time being of that area is admissible as evidence of the matters stated in the certificate.

9.Permanent harbour works-

For the purposes of this Act, permanent harbour works forming an integral part of a harbour system are taken to form part of the coast of Niue.

PART II EXCLUSIVE ECONOMIC ZONE OF NIUE

10.Exclusive economic zone-

- (1) The exclusive economic zone of Niue comprises those areas of the sea, seabed, and subsoil that are beyond and adjacent to the territorial sea of Niue, having as their outer limits

a line measured seaward from the baseline described in Section 6, every point of which line is distant 200 nautical miles from the nearest point of the baseline.

(2) Notwithstanding subsection (1) of this section, where any part of the median line between Niue and any other country is less than 200 nautical miles from the nearest part of the baseline of the territorial sea of Niue that part of the median line shall be an outer limit of the zone.

PART III APPLICATION

11.Application-

(1) This Act applies to every person, every fishing craft and every vessel, fishing within fishery waters.

(2) No fishing craft shall be used for commercial fishing unless the craft is licensed in accordance with section 28 of this Act

PART IV FISHERIES MANAGEMENT AND DEVELOPMENT

12.Designated fisheries-

If Cabinet thinks it is in the national interest to ensure the effective conservation or the efficient use of a fishery, it may, by notice in the gazette declare the fishery to be a designated fishery.

13.Management and development plans-

(1) The Director may direct a Fisheries Officer to prepare and implement a management and development plan for a designated fishery.

(2) The management and development plan shall:

- (a) identify the fishery to which it relates; and
- (b) set out the objectives to be achieved by the plan; and
- (c) specify the management measures to be adopted to achieve those objectives; and
- (d) specify what protection to be given to the habitat of the fishery; and
- (e) specify the limits within which the fishery may be exploited; and
 - (f) specify what licensing requirements (if any) are to apply to anyone who wants to operate within a fishery; and
 - (g) specify what protection is to be given to any other designated fishery (whether by way of management measures, habitat protection, exploitation limits or licensing requirements) for the purpose of:-
 - (i) ensuring the conservation of the fishery in accordance with its management and development plan; or
 - (ii) ensuring that objectives set out in the management and development plan can be achieved;
 - (h) To identify new “ Protected fish species ” .

14. Variation of management and development plan-

- (1) If the Director thinks that a management and development plan should be varied in order to ensure the effective conservation or the efficient use of the fishery to which it relates, the Director may, in writing, prepare a variation of the plan and submit it to Cabinet for approval.
- 2. A variation takes effect when it is approved by Cabinet or at such other time as Cabinet determines.

15. Exemptions-

- (1) Cabinet may, on application made by or on behalf of a person or a group of persons, declare that a management and development plan, or a specified part of such a plan, is not to apply to the person or group.
2. Cabinet may make a declaration subject to such conditions, if any, as Cabinet thinks necessary in order to ensure the effective conservation or efficient use of the fishery to which the management and development plan relates.

16.Revocation of management and development plan-

If Cabinet is satisfied that the objectives set out in a management and development plan have been achieved, the Cabinet may revoke the plan by notice in the gazette.

17.Offences-

(1) A person may not contravene or fail to comply with a provision of a management and development plan that applies to the person.

Penalty: a fine not exceeding \$100,000

(2) A person must not contravene or fail to comply with a direction given to the person by an authorised officer, being a direction that is consistent with a management and development plan, or part of such a plan, that applies to the person.

Penalty: a fine not exceeding \$100,000

(3) In this section: person includes a Niuean and a resident of Niue.

PART V UNAUTHORISED FISHING AND PROHIBITED FISHING METHODS

18.Unauthorised fishing prohibited-

(1) A person shall not engage in commercial fishing in fishery waters unless the person is licensed, authorised or otherwise permitted to do so by or under this Act or Regulations.

Penalty: a fine not exceeding \$100,000 and the Court may order the confiscation of fishing gear.

(2) A fishing craft shall not:

(a) do anything in fishery waters that is not authorised or permitted by or under international law; or

(b) be used for fishing in fishery waters unless it is licensed, authorised or otherwise permitted to do so by or under this Act or the regulations.

(3) A fishing craft shall not, while in any area within fishery waters, carry any fishing gear that is stored in a way that would allow it to be made readily available for fishing in that area, unless the vessel is licensed for use for fishing in that area or such use otherwise otherwise authorised or permitted by or under this Act or the regulations.

(4) If a fishing craft contravenes subsection (2) or (3) of this section, the owner or charterer and the master of the vessel are each guilty of an offence.

Penalty: a fine not exceeding \$500,000 and the Court may order confiscation of fishing gear.

19.Prohibited fishing methods-

(1) A person shall not:

(a) have control or possession of a driftnet; or

(b) engage in driftnet fishing in fishery waters; or

(c) use any explosives, poison or other noxious substance for the purpose of killing, stunning, disabling or catching fish in fishery waters; or

(d) bring on land, sell, dispose of, receive or have possession of any fish caught in contravention of paragraph (b) or (c) of this section.

Penalty: a fine not exceeding \$10,000.

(2) If a contravention of sub-section (1) of this section occurs on board a vessel or by use of a vessel, the owner or charterer, and the master, of the vessel is each guilty of an offence.

Penalty: \$250,000 and the Court may order confiscation of fishing gear.

20. Driftnets and other equipment on board vessels-

(1) If a driftnet is found on board a vessel, then, for the purpose of any proceedings under section 19 of this Act:

(a) the driftnet is taken to be in the possession and control of owner or charterer, and of the master, of the vessel; and

(b) the vessel is taken to have been used for the purpose of driftnet fishing in fishery waters; and

(c) fish on board the vessel are taken to have been caught in fishery waters by driftnet fishing.

2. If an explosive, poison or other noxious substance is found on board a vessel that is used mainly for the purpose of fishing the explosive, poison or substance is to be presumed, unless the contrary is proved to be intended for use in contravention of section 19 sub-section (1) paragraph (c) of this Act.

21. Evidentiary certificate-

In any proceedings for an offence against section 19 of this Act, a certificate signed by an authorised officer stating the cause and manner of death or injury of specified fish, or the circumstances surrounding the alleged commission of the offence, is evidence of the matter stated in the certificate.

PART VI ACCESS AGREEMENTS

22. Access agreements-

(1) The Minister may, with Cabinet ' s approval, enter into a bilateral or multilateral access agreement on behalf of the Government of Niue with the government or Governments of one or more other countries.

(2) An access agreement may provide for vessels owned or controlled by the country concerned, or by its nationals:

(a) to be licensed for use in fishing in fishery waters and have access to those waters for that purpose; and

(b) engage in any other related activities

(3) The Minister may, in entering into access agreements, grant preferential access to vessels owned or controlled by member countries of the South Pacific Forum Fisheries Agency.

(4) Every access agreement must-

(a) provide for fishing allocations at a level consistent with the proper conservation and management of fishery resources; and

(b) be consistent with any relevant management and development plan; and

(c) provide for the proper protection of fishing by Niueans; and

(d) require the other parties to the agreement to take all necessary steps to ensure that the vessels covered by the agreement comply with the terms of the agreement and with the applicable laws of Niue; and

(e) require the transshipment of fish at a time and place authorised by the licensing authority under the agreement except in cases where a licensed group seiner carries out transshipment to its licensed carrier vessel with the prior approval of the licensing

authority; and

(f) require the master of each vessel covered by the agreement to maintain fishing data about fishing carried out using the vessel on the high seas adjacent to the fishery waters, and to report that data in the prescribed form and manner to the Fisheries Officer; and

(g) provide for the issuing of licences for fishing in fishery waters, or in a specified part of those waters, on terms and conditions consistent with this Act.

23.Licenses taken to have been issued under this Act-

A licence, or authorisation issued or granted under an access agreement is, for the purposes of this Act, taken to have been issued or granted under this Act.

24.Persons may act on behalf of the Government of Niue in certain cases-

(1) A multilateral access agreement may authorise a person or body to act on behalf of the Government of Niue, or to act on its behalf in the performance of any obligations, duties or responsibilities (including the issue of licences).

2. Any act done by any person, on behalf of the Government of Niue under an authority given in a multilateral access agreement is taken to have been done by the Government of Niue.

25.Certain provisions to have no effect-

A provision in an access agreement has no effect if it:

(a) purports to operate in substitution of this Act; or

- (b) purports to prevent the Government of Niue from enforcing compliance with any provision of the access agreement; or
- (c) purports to prevent the Government of Niue from taking proceedings under this Act against any person in respect of any fishing activity not authorised by the agreement.

26.Related agreements-

(1) The Minister may, with Cabinet ' s approval, enter into any other agreement that may be appropriate for the promotion of fisheries co-operation and harmonisation between Niue and any other country or countries.

(2) Without limiting subsection (1) of this section, the agreements referred to in that subsection could include, for example, agreements relating to:

- (a) the harmonisation of minimum terms and conditions for access to fisheries; or
- (b) the implementation of multilateral access agreements; or
- (c) the establishment of harmonised joint or reciprocal fisheries surveillance and enforcement measure;
- (d) the harmonisation of joint exploration and development of fisheries ; or
- (e) the development of observer programmes; or
- (f) the harmonisation of transshipment requirements; or
- (g) the harmonisation of fisheries conservation and management.

PART VII LICENSING

27.Application for licensed fishing craft-

(1) An application for a licence for a fishing craft may be made by or on behalf of the owner

or charterer of the craft.

2. An application must be in writing and lodged with the Director. It must include the following particulars;

(a) the fishing craft's name, international radio call sign, specifications and country of registration;

(b) the name of the owner or charterer, and the master, of the vessel;

(c) the fishery resources to be exploited and the period during which exploitation is expected to occur;

(d) the term for which the licence is sought;

(e) the allocation of the fishery resources sought;

(f) the desired area of the fishery waters within which the exploitation is to be carried out;

(g) the method to be used to exploit the fishery resource;

(h) the way in which the catch or harvest is to be disposed of, including particulars of the port where this is to occur and a statement indicating whether the catch or harvest is to be processed and, if so, in what form;

(i) the estimated costs of exploiting the fishery resources and the estimated amount of the revenue to be derived from the exploitation;

(j) such other matters, if any, as are prescribed.

(3) An application must also include statements indicating:-

- a. whether the vessel has at any time contravened an access agreement (whether the Government of Niue is a party or not), and, if so, the nature of the contravention and the action taken or the penalty imposed as a consequence; and
- b. whether the vessel is the subject of an inquiry or investigation relating to an alleged contravention of such an access agreement and, if so, the nature of the allegation; and
- c. whether the vessel is subject to any encumbrance, charge, lien, mortgage or liability whether potential or actual and whether or not arising out of any inquiry investigation or legal proceeding; and
- d. whether the vessel has been denied approval to fish in the waters of any other country and, if so the reasons for the denial; and
- e. whether the vessel has had its approval to fish in the waters of any other country suspended or

withdrawn and, if so, the reasons for the suspension or withdrawal.

(4) An application must also include statements indicating:

- a. whether the owner, charterer or master of the vessel has contravened any access agreement (whether the government of Niue is party or not) and, if so, the nature of the contravention; and
- b. whether the owner, charterer or master of the vessel is alleged to have contravened such an access agreement and if so, the nature of the allegation; and
- c. whether the owner, charterer or master of the vessel is or has been involved in any inquiry, investigation or legal proceeding as a consequence of being engaged in fishing in the waters of any other country, and, if so particulars of that involvement; and
- d. whether the owner, charterer or master of the vessel has incurred any unsatisfied liability or penalty or may incur any liability or penalty, arising out of any contravention, inquiry, investigation or proceeding mentioned in paragraph (a) , (b) or (c) ,of this sub-section.
- e. whether the owner, charterer or master of the vessel has engaged or is alleged to have engaged, in driftnet fishing.

28. Issue of licenses-

(1) The Minister may, on an application made under section 27 of this Act and with Cabinet ' s approval, issue a license permitting a fishing craft identified in the application to be used:

- (a) for fishing (including test fishing) in the fishery waters; and
- (b) for scientific research in the fishery waters.

(2) The Minister may issue a license in respect of a fishing craft whether or not the fishing craft is covered by an access agreement which is in force.

(3) A license shall:

- (a) specify the particular fishing activity permitted by it; and
- (b) provide fishing allocations at a level consistent with the proper conservation and management of fishery resources; and
- (c) be consistent with any relevant management and development plan; and
- (d) ensure the protection of fishing by Niueans.

(4) In approving a licence, the Cabinet may impose any special conditions that it thinks desirable to ensure the proper conservation and management of fishery resources, including, for example, conditions relating to the following:

- (a) the type and method of fishing;
- (b) the area within which fishing is permitted;
- (c) the target species and quantity of fish authorised to be caught, including restrictions on by-catches;
- (d) the term of the licence.

(5) The Cabinet must not approve a licence unless satisfied that it ensures appropriate protection of fishing by Niueans.

(6) A license must not be issued to a fishing craft pursuant to this section, unless that fishing craft is in good standing on the Regional Register

(7) If a fishing craft is not registered on the Regional Register a license may nevertheless be issued to a fishing craft that is fully owned or controlled by;

- (a) the Government of Niue; or
- (b) a Niuean or permanent resident of Niue; or
- (c) a person resident in Niue,

(8) In this section:

“ test fishing ” means fishing for the purpose of testing the feasibility of commercial fishing.

“ scientific fishing ” means gathering data for the purpose of conserving or managing a fishery.

29. General conditions of licences-

(1) The Cabinet may, by notice in the Gazette, specify general conditions applicable to all licences.

(2) A general condition is taken to come into operation on a date specified in the notice or, if

no date is specified, on the day on which it is published in the Gazette.

(3) General conditions applicable to all licenses, whether or not an access agreement is in effect, may include, for example, conditions relating to the following:

- (a) open and closed fishing seasons;
- (b) prohibited fishing areas;
- (c) minimum mesh size or fishing nets;
- (d) minimum fish size;
- (e) observer devices;
- (f) any other general conditions as required by Cabinet.

(4) Any person who, whether intentionally or unintentionally, destroys, damages, renders inoperative or otherwise interferes with an observer device aboard a fishing craft without first obtaining the approval of the Director, commits an offence.

Penalty: a fine not exceeding \$250,000

30.Variation and revocation of conditions-

(1) Cabinet may, if satisfied that it is necessary to do so to ensure the proper conservation or management of fishery resources, add to, vary or revoke any special or general conditions imposed under this Act.

(2) A general condition must be varied or revoked by notice in the Gazette.

(3) If Cabinet adds a new general condition, it must do so by notice in the Gazette.

(4) If Cabinet adds a new special condition or varies or revokes a special condition, it must cause the holder of the licensee concerned to be notified accordingly.

31.Statutory conditions-

Every license issued under Part VII of this Act is subject to the

following conditions:

- (a) the owner or charterer, and the master of the fishing craft to which the license applies must comply with the laws of Niue;
- (b) the performance by the fishing craft to which the license relates must at all times be consistent with the information, and financial projections, given in the application for the license.

32.Term of licence-

- (1) Subject to this Act and any special or general conditions imposed by or under this Act, the term of a licence issued under Part VII of this Act shall be for a period of one year from the date the licensee is issued.
- (2) A licence issued under this Act may be renewed on application made in accordance with section 27 of this Act before the end of the latest term of the license.

33.Authority to use fishing craft for certain activities-

- (1) The Director may, with Cabinet ' s approval, authorise the use of a fishing craft for a specified fishing activity within fishery waters.
- (2) An authorisation may be made subject to such conditions, if any, as the Cabinet determines.
- (3) The Director must not grant an authorisation under this section unless satisfied:
 - (a) that it would not be appropriate in the circumstances to require a license to be issued permitting the fishing craft to be used for the relevant activity; and
 - (b) that the activity will not involve catching fish; and
 - (c) that the activity will not be continuing one.

34.Fees-

- (1) There shall be a fee payable for every license issued and for authorisations granted under this Act, provided however, where an access agreement specifies for the making of such payments no additional payment shall be required.
2. Cabinet shall from time to time prescribe the fees payable for the issue of licenses and shall determine the amount payable for the granting of an authorisation.

35. Assignment of licence or authorisation
